

Social and Environmental Responsibilities Report

Mr. Boondee Amnuayskul

Chief Executive Officer and Managing Director

Throughout over 45 years of business operation, Thai Wacoal is aware about social and environmental responsibilities, determined to retain standard quality of products and focus on reducing effects from every process in the business chain. Thai Wacoal is the first lady undergarments producer in Thailand to manage waste products systematically under the “Bra Day” Project. In 2015, Thai Wacoal is proud to receive ESG 100 Certificate from Thaipat Institute as registered company with outstanding social, environmental and corporate governance performances as well as received “ASEAN Quality Goods and Services 2015” from Asian Network for Quality (ANQ).

Thai Wacoal is also keen to launch the “Pink Ribbon Wacoal, Fight Against Breast Cancer” on a continuous basis, focused on various offensive activities to educate and check breast cancer by themselves. Provide more opportunity for women to check with mammogram machines at social and community levels. Many Wacoal Body Clinic Shops have also been established in the provinces for women, who lost their breasts from breast cancer operation, can access and receive Balancing Bra products more conveniently.

Resistance against corruption is our main policy, which Thai Wacoal has specified Regulations, Operation Procedures and consistent control and audit. Communicate to the management, supervisors and employees as operation guidelines. Moreover, related law and requirements are reviewed to ensure that operations conform to the law completely.

Thai Wacoal will develop and elevate activities in regards to social responsibilities to drive business and sustainable growth based on Creating Shared Value. Expand cooperation to every sector and interest group to create confidence and trust in one another forever.

Mr. Boondee Amnuayskul

Chief Executive Officer and Managing Director
