5. Funding source : From the company's working capital

6. Those directors with possible conflict of interests did not attend nor cast votes at above

meeting.

7. Opinions of The Board of Directors:

Agreed to endorse such transactions intended to support normal business transaction without

general trading conditions, transaction regarding rental or lease of immovable property not

exceeding 3 years, and transaction relating to assets or services with connected

persons according to above details, as they were considered to be normal business

transactions, representing reasonable prices and other conditions concerned.

Furthermore, such transactions should contribute to the company's further benefits, as well as

help strengthen the company's business potential further, thereby promoting mutual business

developments for the parties concerned.

8. Opinions by The Audit Committee and/or Director significantly different from those by The

Board of Directors: - None -

9. Transaction volume:

Above transactions came under the scope of connected transactions for listed companies as

specified in Notification of The Capital Market Supervisory Board No. Tor Chor. 21/2551, on

rules for connected transactions being intended as supporting normal business transaction

without general trading conditions, transaction regarding rental or lease of immovable property of

not exceeding 3 years, and transaction relating to assets or services having transaction volume

larger than Baht 1 million but less than Baht 20 million, or otherwise more than 0.03% but less

than 3% of net tangible assets (NTA), whichever may be greater. Since 0.03% of the company's

NTA as of June 30, 2021, stood at Baht 1.55 million, as compared to 3% of such amount for

Baht 155.17 million, therefore, such transactions volume warranted the company to seek

approval form The Board of Directors and report the information to the SET, without needing to

seek further approval from the shareholders' meeting.
