<u>Fact and rationale</u>: According to The Public Company Act B.E. 2535 and Article 21 of the Company's Articles of Association, at the annual shareholders' meeting each year, one-third of the sitting directors would be required to retire upon term completion, whereby such retiring directors were eligible for re-election to serve another term. Out of the total 15 company directors, the 5 directors due to retire upon term completion at the shareholders' general meeting were as follows:

Name of directors		f directors	Position

The company had earlier provided the shareholders with the opportunity to nominate candidate to be considered as company director to the shareholders' meeting for 2022 in advance, during the period of December 1 - 30, 2021. Nevertheless, there was no shareholder nominating candidate to be considered as company director prior to said meeting. For said nomination process, proper careful consideration were exercised by The Nominating Committee in selecting qualified candidates on an individual basis as the member of The Nominating Committee with interests did not vote to select himself, in compliance with existing company criteria and method relating to such position consideration.

Upon careful consideration of the candidates' qualifications in terms of Board Diversity and qualifications that were in accordance with the strategy of the company's business operation by using the analysis of skills, experience, knowledge and expertise of the board, or Board Skill Matrix, accompanied by good leadership, sound vision, good ethics and morality, and supported by good past performances record, either as company director or member of various sub-committees for the company so far, as well as the candidates did not possess any qualification restriction or forbidden aspect as specified in Article 68 of The Public Company Act B.E. 2535, and the requirement of The Securities and Exchange Commission. The Nominating Committee unanimously resolved to recommend to The Board of Directors to nominate above 5 outgoing directors to the shareholders' meeting, for their further consideration and approval to re-elect these persons to serve another term as company directors.

The Board's opinion : The Board of Directors excluding those directors having possible conflict of interests, has considered and screened the qualifications of those persons being nominated as directors on an individual basis according to the criteria and process for the selection of directors. The persons nominated for the position of director were qualified to engage with the company's business. Their experiences and abilities benefited to the company. Accordingly, The Board of Directors resolved to endorse the proposal by The Nominating Committee, to nominate the 5 retiring

<u>Voting resolution</u>: Based on majority votes of the shareholders present at the meeting and having voting rights.

Agenda 6 Approval of the directors' remuneration budget

Fact and rationale : According to Article 32 of the Company's Articles of Association, the company was not allowed to provide the directors with any financial payment or asset, except such payments deemed as legitimate benefits duly accorded the directors, which did not include such remuneration or benefits normally provided the directors as company employees. For such purpose, the shareholders' meeting has earlier approved annual directors' remuneration budget limit not exceeding Baht 15 million, and assigned The Remuneration Committee to allocate such budget amount approved by the shareholders' meeting. For year 2021, the company has allocated remuneration budget for the directors for total amount Baht 10,348,000, classified into annual remuneration for The Board of Directors of Baht 8,180,000, meeting allowances for The Board of Directors of Baht 926,000, together with meeting allowances for The Audit Committee of Baht 688,000, meeting allowances for The Nominating Committee of Baht 54,000, meeting allowances for The Remuneration Committee of Baht 52,000, meeting allowances for The Risk Management Committee of Baht 312,000, and meeting allowances for The Corporate Governance Committee of Baht 136,000.

Details of the criteria for the directors' remuneration were based on the consideration of The Board of Directors' performances, authority, duty, and responsibility scope, as well as the operating results and growth prospect for the company, the financial liquidity position, and such factors

posing possible impacts on both the company and overall economic situation, together with performance of individual directors. Consideration was also given to the budget amount approved by the shareholders' meeting, the remuneration amount for the previous year and the comparison with other companies in similar businesses.

For the year 2022, The Remuneration Committee has resolved to propose the remuneration budget for the directors not exceeding Baht 15 million, same as the previous year, according to remuneration details as follows:

1. Directors' Remuneration

Whereas above remuneration criteria need to receive the approval by The Board of Directors, and cannot exceed the budget amount approved by the shareholders' meeting.

The Board's opinion : The Board of Directors resolved to propose to the shareholders' meeting to approve directors' remuneration budget not exceeding Baht 15 million per year, same as the previous year, as proposed by The Remuneration Committee since such remuneration was appropriate and reflected the director's authority, duty, and responsibility scope, as well as the company's operating results and business growth. Additionally, the remuneration was based on criteria comparable to other companies in the same business sector.

<u>Voting resolution</u>: Based on not less than two-third of total number of the shareholders present at the meeting.
