1 Company auditor from Deloitte Touche Tohmatsu Jaiyos Audit Co., Ltd., attended the meeting to provide necessary accounting information to the meeting, namely:

Miss Kornthong      Luangvilai

For this shareholders' general meeting, Chairman of The Board of Directors, Chairman of The Audit Committee, Chairman of The Nominating Committee, Chairman of The Remuneration Committee, Chairman of The Risk Management Committee, Chairman of The Corporate Governance Committee, Chairman of The Executive Committee, Chief Financial Officer, and Company Auditor all attended the meeting.

An auditor representative acted as the inspector for the accuracy of votes and the witness to the vote-counting procedure in the meeting as follows:

Miss Chareeporn      Usachokcharoen

who was an auditor from Deloitte Touche Tohmatsu Jaiyos Audit Co., Ltd. She was seated together with company officials assigned to carry out vote tallying for each meeting agenda.

After that, the CEO and Managing Director assigned the Company Secretary to provide information relating to the meeting management and the voting procedures.

Miss Chama Sungrungsan, Company Secretary, informed the meeting that, for the shareholders' meeting in 2022, the company duly followed good corporate governance practices relating to the rights and equitable treatment of shareholders as follows:

1. Provided the shareholders with the opportunity to propose meeting agenda and/or nominate candidates to be elected as company directors during December 1 - 30, 2021, by facilitating said information to the shareholders via the news channel of The Stock Exchange of Thailand and the company website. However, there was no shareholder proposing meeting agenda and/or nominating candidates to be elected as company director prior to said meeting.

2. Provided the shareholders with the opportunity to pose their questions for the meeting in advance via e-mail or registered mail to the address specified in the meeting notice. However, there was no shareholder sending such advanced question to the company prior to the meeting.

3. Provided the opportunity for the shareholder unable to attend the meeting in person, to appoint independent director to act as his/her proxy to attend the meeting instead.

The voting method for this meeting followed Article 43 of the Company's Articles of Association, which required each share to be counted as one vote, and the voting to be carried out in a transparent manner. The shareholders may cast either approval vote, disapproval vote, or abstention vote, for each meeting agenda, whereas only disapproval and/or abstention votes and/or the votes according to the voided ballot (if any) would be taken into account, by deducting them from the total votes present at the meeting, in order to arrive at the number of approval votes. Whereas in the case where the shareholder had appointed a proxy to attend the meeting and cast vote according to his/her wish, and had already submitted such proxy appointment letter to the company in advance, the company would record said vote accordingly with the vote compilation system.

A ballot is considered void if a ballot on which more than one mark is placed or a ballot with any crossing-out without a signature thereon.

In the case where the shareholder arrived for meeting registration after the meeting had already commenced, said shareholder would be allowed to cast vote only for the remaining agenda not yet entering consideration. The company would then add the number of shareholders so arrived, to the total meeting quorum, for such remaining agenda for further recording in the meeting minutes. In that regard, the company would notify the meeting of any increase in the number of shareholders attending the meeting, if such an event took place.

In order to implement the vote-counting procedure in an orderly and transparent manner, the company employed the barcode system for such vote-counting procedure, thereby allowing all meeting attendants to view the voting result for each agenda clearly appearing on screen at the same time.

The voting method for the meeting agenda could be classified into the followings:

1. **All agenda, except the agenda for the election of director** To cast the disapproval or abstention vote, the shareholder was required to express by raising the signcard in hand. The officer would count the votes including distribute the ballot. Please filled in the registration number, accompanied by any comment and own signature on the ballot, and returned promptly to the officer on duty.
2. **The election of director agenda** Each shareholder was required to exercise own voting right, by casting vote on an individual basis, accompanied by own signature on the ballot on the right side of the signcard. To cast the disapproval or abstention vote for any particular candidate, the shareholder was required to raise the signcard in hand, accompanied by such expression on the ballot, to be immediately collected and tallied by the officer on duty.

The Company Secretary then informed the meeting that, in their capacity as shareholders, company directors would cast their votes in accordance with the opinions proposed by The Board of Directors for each meeting agenda. In case the independent director was assigned to vote on behalf of the shareholder, his / her

voting would need to comply with such instruction specified by the shareholder per the proxy form. Should the shareholder have any inquiry to make during each meeting agenda in process, he / she would be required to write question on the question paper and send it to the company staff.

Mr. Boondee Amnuayskul, the CEO and Managing Director, then proceeded with the meeting agenda according to the order earlier set forth in the notice for the general meeting of shareholders as follows:

Before entering agenda no.1, the Company Secretary informed the meeting that at present, 1 more person had joined the meeting, representing 1 shareholder and holding 14,020 shares, thereby rendering the total number of shareholders and proxies attending the meeting to become 38 persons, representing 66 shareholders and holding 100,596,919 shares altogether, accounting for 83.83% of the company shares already issued and paid-up.

At present, The Board of Directors had 15 members, whereby 5 directors were due to retire upon term completion at the 53<sup>rd</sup> general meeting of shareholders as follows:

Manufacturer of finished garments

The profile of these 5 persons being nominated as directors replacing those due to retire upon term completion and definitions of independent director, had earlier been sent out to the shareholders together with the notice of the meeting.
