Fact and rationale : According to The Public Company Act B.E. 2535 and Article 21 of the Company's Articles of Association, at the annual shareholders' meeting each year, one-third of the sitting directors would be required to retire upon term completion, whereby such retiring directors were eligible for re-election to serve another term. Out of the total 15 company directors, the 5 directors due to retire upon term completion at the shareholders' general meeting were as follows:

Name of directors		Position
1. Mr. Takuya	Miura	Director and Deputy Managing Director
2. Mr. Thamarat	Chokwatana	Director, The Remuneration Committee Member and Executive Director

5. Mr. Poolsak	Boonchoo	Independent Director, The Audit Committee Member and The Risk Management Committee Member

In this regard, Mr. Takuya Miura indicated his intention not to seek re-nomination.

The company had earlier provided the shareholders with the opportunity to nominate candidate to be considered as company director to the shareholders' meeting for 2024 in advance, during the period of December 1 - 31, 2023. Nevertheless, there was no shareholder nominating candidate to be considered as company director prior to said meeting. For said nomination process, proper and careful consideration were exercised by The Nominating Committee in selecting qualified candidates on an individual basis, in compliance with existing company criteria and method relating to such position consideration.

Upon careful consideration of the candidates' qualifications in terms of Board Diversity and qualifications that were in accordance with the strategy of the company's business operation by using the analysis of skills, experience, knowledge and expertise of the board, or Board Skill Matrix, accompanied by good leadership, sound vision, good ethics and morality, and supported by good past performances record, either as company director or member of various sub-committees for the company so far, as well as the candidates did not possess any qualification restriction or forbidden aspect as specified in Article 68 of The Public Company Act B.E. 2535, and the requirement of The Securities and Exchange Commission. The Nominating Committee unanimously resolved to recommend to The Board of Directors to nominate above 4 outgoing directors to the shareholders' meeting, for their further consideration and approval to re-elect these persons to serve another term as company directors. Additionally, The Nominating Committee's meeting resolved to recommend to The Board of Directors for further proposal to the shareholders' meeting to approve the election of Mr. Katsunori Nakamura serving as director in place of Mr. Takuya Miura.

The Board's opinion : The Board of Directors, excluding those directors with possible conflict of interests, individually considered and screened the qualifications of the persons being nominated as directors. The Board was of the opinion that the nominated persons at this time passed the company's consideration process and were qualified in accordance with relevant rules and

regulations. In addition, these persons were suitable for the company's business as well as given their experience and abilities, which would benefit the company. Accordingly, The Board of Directors resolved to endorse the proposal by The Nominating Committee, to nominate the 4 retiring directors to the shareholders' general meeting, for re-election to serve another term as directors as follows:

2. Mrs. Punnee Worawuthichongsathit

She was knowledgeable and had experience in the field that the company required, as well as provided useful advice. Agenda 6 Approval of the directors' remuneration budget

Fact and rationale : According to Article 32 of the Company's Articles of Association, the company was not allowed to provide the directors with any financial payment or asset, except such payments deemed as legitimate benefits duly accorded the directors, which did not include such remuneration or benefits normally provided the directors as company employees. For such purpose, the shareholders' meeting has earlier approved annual directors' remuneration budget limit not exceeding Baht 15 million, and assigned The Remuneration Committee to allocate such budget amount approved by the shareholders' meeting. For year 2023, the company has allocated remuneration budget for the directors for total amount Baht 10,226,000, classified into annual remuneration for The Board of Directors of Baht 8,180,000, meeting allowances for The Board of Directors of Baht 804,000, together with meeting allowances for The Audit Committee of Baht 688,000, meeting allowances for The Nominating Committee of Baht 54,000, meeting allowances for

The directors' remuneration were based on the consideration of The Board of Directors' performances, authority, duty, and responsibility scope, as well as the operating results and growth prospect for the company, the financial liquidity position, and such factors posing possible impacts on both the company and overall economic situation, together with performance of individual directors. Consideration was also given to the budget amount approved by the shareholders' meeting, the remuneration amount for the previous year and the comparison with other companies in similar businesses.

For the year 2024, The Remuneration Committee has resolved to propose the remuneration budget for the directors not exceeding Baht 15 million, the same as the previous year, according to remuneration details as follows :

Additionally, the remuneration was based on criteria comparable to other companies in the same business sector.
